Meeting Day/time/location: **2nd Tuesday, every other month/7 – 9 p.m./Hansville Community Center**

Part 1: Advisory Group Purpose/Mission Statement

MISSION: To communicate with and represent the interests of the Greater Hansville Area (GHA) with Kitsap County and other government entities, and other individuals and organizations to prioritize, organize, and facilitate enactment of GHA mandated goals in accordance with the GHA community's values.

Part 2: Accomplishments in 2010

2010 Goal	Accomplished? Y/N	Comments (from GHAAC members at December GHAAC meeting)
Coordinate information sharing among Greater Hansville Area neighborhoods to improve community livability and economy.	Yes	<i>*Ongoing through Log, Community News, Herald and Reps advising their neighbors *Continuously need further information sharing and creative ideas for engagement</i>

**Advisory Group
2010 Accomplishments
2011 Work Plan**

2010 Goal	Accomplished? Y/N	Comments (from GHAAC members at December GHAAC meeting)
Develop an emergency management program for the community	<i>Ongoing</i>	<ul style="list-style-type: none"> <i>*Community center set up as warming shelter by GHCC</i> <i>*Driftwood Key, Cliffside Beach, South Hood Canal Drive, Point No Point View Estates have formal plans and processes and drills</i> <i>*GHAAC reps passing info to their groups</i> <i>*Continuing need to develop plans for each neighborhood</i> <i>*To be successfully implemented, this process needs to be ongoing with a named GHAAC Coordinator working with the Community Center and the County</i> <i>*GHCC is in the process of training a emergency team to activate the center as a warming shelter during a natural disaster</i>
Continue to track development issues related to the community	<i>Ongoing</i>	<ul style="list-style-type: none"> <i>*Active participation in GHAAC and Planning Committee by Olympic Resources</i> <i>*There has been considerable engagement with issues such as Point No Point boat ramp</i>
Increase regional networking with other planning efforts	<i>Ongoing</i>	<ul style="list-style-type: none"> <i>*Met with and coordinating with other community groups and advisory councils</i> <i>*Participated in KCAC and Suquamish Open Houses</i>
Review potential structural improvements to the GHAAC including bylaws, membership application process, management of funds, and involvement with other North District CAC's	<i>Bylaws are complete and approved. Vacant positions advertised to the general public.</i>	Membership appointment process. And GHAAC has no funds to manage and anticipates none.

2010 Goal	Accomplished? Y/N	Comments (from GHAAC members at December GHAAC meeting)

OTHER 2010 ACCOMPLISHMENTS

Community/County Planning Process:

- Planning Document approved by County

GHAAC Committees (other than Planning):

- Governance committee established and began to review bylaws and surface any issues important to further operation

Additional Actions:

- Support Point No Point neighbor's concerns and send letter to County requesting enhanced enforcement at Point No Point - completed and great progress
- Continue to encourage County attention and action on Eyer nuisance property
- Follow up regarding storm water issues – continuing – making progress
- Participate in Kingston and Suquamish community Open Houses
- Set up meeting to discuss early neighborhood impacts with County engineer on road redesign project
- Regularly provided information to neighbors about issues and solicited their opinions about those issues

Part 3: Proposed Goals/Objectives or Plans for 2011

Proposed 2011 Goal	Comments

**Advisory Group
2010 Accomplishments
2011 Work Plan**

Proposed 2011 Goal	Comments
<p>Work to complete some of the goals and projects begun in 2008</p> <ul style="list-style-type: none"> --Emergency Preparedness --Governance Committee 	<ul style="list-style-type: none"> --Establish a coordinating committee to assist neighborhoods with Disaster Preparedness Plans and determine what issues should be community wide vs. neighborhood --Review bylaws for modifications as appropriate when able to do so. Governance committee to focus particularly as it pertains to organization, representation, and member succession.
<p>More effectively follow up on efforts begun or education programs</p>	<ul style="list-style-type: none"> --Disaster preparedness (see above) --Ferry issues; determine whether there is a community consensus --Others
<p>Enhance communication efforts by developing and adopting an official communications plan; coordinate plan with other advisory councils if appropriate.</p> <p>Hold communication seminars to enhance comfort and skill in effective communication with neighborhood groups, etc.</p>	<p>Communications plan was developed and adopted by GHAAC as well as being held as a model for other CAC's</p>
<p>Encourage further information sharing on what is happening in our neighborhoods; be attentive to where GHAAC and the community can be of assistance.</p>	<p>Ongoing</p>

**Advisory Group
2010 Accomplishments
2011 Work Plan**

Proposed 2011 Goal	Comments
Encourage further information sharing on what is happening with our community groups, such as the Solitarians and support their needs as appropriate.	Ongoing
Enhance community infrastructure	Ongoing
Recharter the Saltwater Parks Committee	<p>Be more proactive with Norwegian Point Park and Point No Point public issues as well as public use of Foul Weather Bluff parks</p> <p>Act as liaison regarding parks issues with county and state and provide reports to GHAAC</p> <p>Continue support for the completion of Norwegian Point Park</p> <p>Support expansion and improvement of public access areas where appropriate</p>
Maintain a medical equipment exchange list	The list would be used to identify medical equipment available in the community and match with those in need. List developed and maintained; well used and a model for other CAC's
Keep GHAAC member list current	As able due to constraints of lawsuit
